

## ENVIRONMENTAL POLICY

**ANYDOOR & GATES PTY LTD** is engaged in Metropolitan and outer Region Building Maintenance project including design, consultancy installation and maintenance services.

**ADG** is committed to delivering profitable projects and services in a safe and environmentally responsible manner.

## PRIMARY ENVIRONMENTAL OBJECTIVES

To support this commitment, **ADG** will:

- Comply with relevant environmental laws, regulations, industry codes of practice and project requirements specified by clients or regulators.
- Establish, measure, report and review environmental objectives, key performance indicators and targets.
- Maintain an environmental management system that conforms to recognised standards including ISO 14001, integrated within the **ADG** Operations System.
- Control the impact of our operations on the environment and community through effective planning and risk management methodologies.
- Communicate pertinent environmental responsibilities and obligations to employees, consultants and subcontractors and provide appropriate education.
- Establish and maintain a program for the continual improvement of the environmental management system and environmental performance.
- Seek to minimise pollution and use of natural resources by encouraging and practising economically viable waste reduction, emission control, energy conservation and recycling programs.
- Review this policy statement periodically and make it available to the public, clients, regulators and other interested parties upon request.
